Previous, current and projected balances can be viewed with Absence Balances.

Absence Balances

1. Sign in to my.wisconsin.edu.
2. Click the **Time and Absence** tile.
3. Click the **Absence Balances** tab in the left side bar.
4. If you have multiple jobs, you can change which job absences are being viewed for by clicking the **Display Balances for Job** drop down and changing the job.
5. To view balances for previous pay periods, use the drop down to identify the period to review.
NOTE: When viewing previous time period, the projected balance amount is no longer shown.
6. **Posted Leave Balances** show balance totals as of the last completed payroll (Available Balance).
7. **Projected Balances** shows all absences that have been entered, approved and run through overnight processing, for the current and/or future pay periods.
Prior Usage/Adj - Leave that was processed for a prior pay period after the available balance was processed.
Beginning Balance - balance as of the end of the last pay period processed.
Current Usage - any requests entered for current pay period that have been approved and overnight processing has run.
Current Balance - beginning balance minus current usage.
Future Usage - any requests entered for future pay period(s) that have been approved and overnight processing has run.
Future Balance - beginning balance minus current usage and future usage.
